DOUBLY PROVEN.

McConnellsb'g Readers Can No Longer Doubt the Evidence.

This McConnellsb'g citizen testified long ago. Told of quick relief—of undoubted benefit. The facts are now confirmed. Such testimony is complete—the evidence conclusive. It forms a convincing proof of merit. Miss Susan Peightel, Main St., McConnellsb'g, says: "I was in poor health for some time and I believe that weak kidneys caused the trouble. I suffered greatly from severe pains in my back which often darted into my head. I often became dizzy and had chills. I was losing strength daily and felt poorly in every way. Doan's Kidney Pills, procured at Trout's Drug Store, brought me quick relief." (Statement given November 5th, 1907) Over Six Years Later, Miss Peightel said: "Whenever I need a backache or kidney medicine, I use Doan's Kidney Pills. They relieve me." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Peightel had. Foster-Milburn Co., Props., Buffalo, N. Y.

100 Free Prizes for You Women Who Tell Us the Most Uses for KEROSENE

It's past belief how many women, good housewives too, think that kerosene is good only for lighting and heating. But then, of course, there are other hundreds of you who know its uses are almost boundless.

Some tell us they've tried kerosene as a floor polish—and find it splendid—that it will preserve the finish and beauty of a fumed oak set better than the most costly dressing, and, mixed with whiting, with almost no rubbing, will make nickel trimmings glisten. Then, for cleaning the porcelain bath tub, nothing equals kerosene. It leaves it shining snowy white.

What Do You Do With Kerosene?

What are your pet methods for making kerosene work for you? You are probably acquainted with many helpful, practical uses, if you'll only just take a little time and dig them up, out of the store of your household experience.

Write down all you can think of. Send your list to the Contest Department of the Atlantic Refining Company, and you're just as likely as not to be one of the fortunate winners of any one of the 100 valuable prizes pictured in this advertisement.

It's ordinary common sense and not fancy composition that'll win these useful, handsome awards. All we want you to do is just tell us in your own way how you have found kerosene useful around the house.

The letter that lists the greatest number and the most practical uses for kerosene will win the first prize—a \$33 New Perfection Oil Cook Stove—a prize well worth getting, for it surely does lighten the drudgery of cooking.

The next best five letters will be judged on the same basis, and for the writers of these there are five New Perfection Oil Cook Stoves (each valued at \$10.75) to make work easier in the homes of five enterprising housewives.

In the same way the remainder of the 100 desirable prizes will be awarded. Read the list at the left.

Was there ever a chance to get so much for so little effort—no work, only a little thinking necessary—just write what your housework has taught you, but please use only one side of the paper and be certain your letter reaches us before December 1st, 1915, for on that date this contest positively closes.

Remember, the greater the number of uses you submit and the more practical each is, the more certain is the chance of your securing any one of these hundred splendid prizes.

Don't wait till the last day, but begin making up a list immediately—the longer the list the better your chance.

The Atlantic Refining Company Philadelphia

Besides the illustrated prizes, there are ten fifth and an equal number of sixth, seventh and eighth prizes, all splendid, serviceable Perfection Oil Heaters which your dealer sells for \$3.80, \$3.70, \$3.60 and \$3.30, respectively.
